Individual Dashboard

Corporate Dashboard

Tailored Dashboards for Corporate & Individual Control

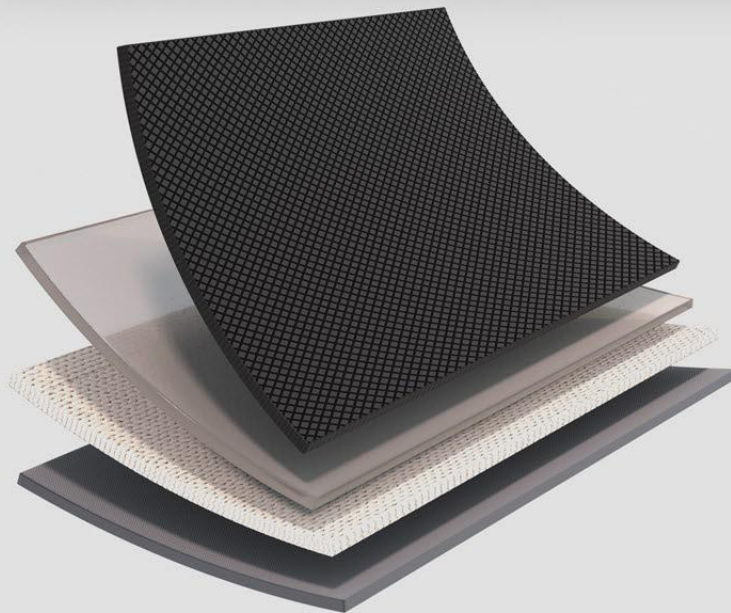

TAP-ON offers tailored dashboards for both individuals and corporations. Individuals can easily customize their cards with profile pictures and real-time updates, while corporations can efficiently manage employee data with HR department access. These user-friendly dashboards enhance the TAP-ON experience for everyone.

Durable Material

TAP-ON cards are crafted with durability in mind, using a combination of metallic and PVC materials. This ensures a long-lasting, resilient card that maintains its sleek appearance.

Data Security in the Cloud

TAP-ON takes your data security seriously. We store your information in secure cloud environments, guaranteeing the confidentiality and protection of your data, providing you with peace of mind.

A hand is shown holding a glowing, multi-colored arrow graphic. The arrow is composed of several overlapping arrows pointing in different directions (up, down, left, right), with colors ranging from purple to blue. The background is a dark, atmospheric cityscape at night, with a person in a dark suit jacket visible in the foreground. The overall mood is professional and forward-looking.
